Under Sec 25(2), the IG of Prisons is an ex-officio visitor

The rules under the Regln mention that there shall be two non-official visitors to the Lunatic Asylum, each visitor being appointed for a period of 2 years.

(2) It is now ordered that no Secretary to Govt need be a visitor. It will be seen from the note of 1916 that the Personal Asst to the Senior Surgeon is also a visitor. The P.A to SS was then a technical man but now he is a ministerial officer. So the Ntfn requires consider revision further it is not known who the non-official visitors are & when they are to be reappointed. Letter No. 1116 dated the 17th June 1930 from the Superintendent, Mental Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

-----:0:-----

I have the honor to inform you that the Board of Visitors to the Mental Hospital was constituted 14 years ago under Government Order No. J.2446/Pris. 18-16-2 dated 28th October 1916 and from time to time alterations have been made in the personnel of the Board and it is at present composed as follows:-

	No. of meetings attended out of 12.
The Second Judge of the Chief Court of Mysore	2
The Secretary to Government, General Department.	0
The Deputy Commissioner, Bangalore.	4
The Sub-ordinate Jundge, Bangalore.	0
The Superintendent, Central Jail, Bangalore.	7
The Superintendent, Medical Stores, Bangalore.	3
The City Magistrate, Bangalore.	8
The Medical Officer in charge of the Victoria Hospital, Bangalore.	11
The Inspector-General Of Police in Mysore.	1
The Inspector-General of Prisons in Mysore.	2
Mr. B.Abdul Rahimon B.A.L President, District Board, Bangalore District.	0
Mr. Belur Srinivasiengar, B.A.,B.L., Advocate.	0
Mr. R.Gopalaswami Iyer, Land-holder, Bangalore City.	9
Dr. A.K.Pani., Infantry Road, Bangalore.	2.

The number of monthly meetings attended by each of the Visitors during the Official year 1929-30 is noted against their names. As some of the members have not attended at all and some others come very rarely, it seems to be desirable to re-constitute the Board of Visitors, and I would suggest that the medical members on the Board who are now only 4 might with advantage be increased, as their opinion will be useful in deciding about the discharge of patients from the hospital and on other matters relating to the work of the institution. The total number of members may be limited to 14 as at present, some of the existing ones being replaced by members of the medical profession among whom a Lady Medical Officer might also be included.
